SHORT BIO

Mia Tsai is a Taiwanese American author of *Bitter Medicine*, a xianxia-inspired contemporary fantasy, and the forthcoming *The Memory Hunters*. She is also an editor at *Giganotosaurus.*

LONG BIO

Mia Tsai is a Taiwanese American author and editor of speculative fiction. She debuted with *Bitter Medicine*, a xianxia-inspired contemporary fantasy. Her next novel, *The Memory Hunters*, is forthcoming from Erewhon Books on July 29, 2025. She lives in Atlanta with her family, pets, and orchids. Her favorite things include music of all kinds and taking long trips with nothing but the open road and a saucy rhythm section.

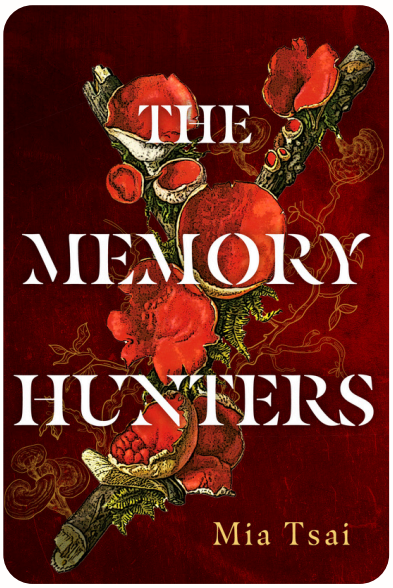
Description: As a descendant of the Chinese god of medicine, Elle was destined to be a doctor. Instead, she is underemployed as a magical calligrapher at the fairy temp agency. Meanwhile dreamy half-elf Luc, the agency's top security expert, has his own problems and secrets. In this xianxia-inspired contemporary fantasy, a Chinese immortal and a French elf navigate romance, family loyalty, and workplace demands.


Title: *The Memory Hunters*
ISBN: 978-1-64566-208-2 (hardcover)
Published: July 29, 2025
Price: $28.00
Description: A reckless archaeologist uncovers an earthshattering heretical secret in this mind-bending queer adventure for fans of *Inception*, Arkady Martine, Samantha Shannon, and Emily Tesh, asking: Who has the right to remember?
